

Clover Lawn Community Centre Association

CLOVERLAWN COMMUNITY CENTRE

Newsletter - January 2021

Hope everyone is keeping healthy and things are going smoothly as possible on your farms and in life. Although there are things to get discouraged about, there are also things to be grateful for. It's nice to reach out to neighbours and see how they are doing from time to time.

Community halls were officially closed with the government's orders in late November. We hope that this is lifted before summer, as we have lots of weekends already booked and we'd like to have our Rust Bucket Jamboree this year! It is slated for Saturday, June 12, but obviously, we will have to wait and see.

We are trying to keep our members in the loop as much as possible, with these newsletters and the occasional email. We also decided it was high time for a website. We have lots of information about our hall and also a page for members and we'll be posting these newsletters there too. Go check it out at **cloverlawn.ca**.

We have some volunteering opportunities coming up (even despite COVID). For example, we are looking for families or individuals to sign up to be "caretaker of the week." You would be responsible for snow shovelling around the hall entrance

for one week this winter. We could also use some help clearing snow in the parking area from time to time. Let us know if you have equipment that could do that. We do still show the hall to potential renters and need to get to the front door! You can also volunteer to change the big outdoor sign. Let us know if you can help with this.

We will email everyone in February once we have a plan for the pancake supper and AGM -- for now, we plan to postpone the AGM.

If you have ideas for events – virtual or for the future when things open up again, please contact Teresa (see box above right). Take care, everyone.

Our Facebook page is www.facebook.com/cloverlawncommunityhall

Our brand-new website is cloverlawn.ca

Casino Update

Our casino fundraiser dates are Feb 18 and 19, 2021 (assuming casinos open soon... this could change). We are looking for a few more volunteers to work this casino. Nicole Dotzlaf is coordinating this, so let her know if you can volunteer: nicole.dotzlaf@gmail.com or 780-446-8980. We plan to put the money toward a new furnace room.

Volunteer Opportunities + Dates to put in your calendar

Winter Work Bee (cleaning up fallen trees): Saturday, February 6, 10 AM – 2 PM

Pancake Supper (Take-Out): Tues, February 16

Casino Fundraiser
February 18 and 19

Spring Clean up: April/May
(to be determined)

Rust-Bucket Jamboree
Saturday, June 12

On - Going Volunteering:
- snow removal (shoveling entry area)
- clearing the parking area with a tractor/truck/snow plow blade
- changing the big sign

Board Members

We are seeking people to serve as Directors and for someone to take on the Treasurer role.

We Need Your Input

We need your input on a few things! **Please email us at CLCC233@gmail.com, or call the hall phone (780-387-4242) and leave a message.**

Winter Work Bee, Feb 6: Are you coming? If so, are you bringing a chain saw? Please let us know! Our plan is to cut down the fallen trees and buck them up into firewood. We were thinking we'd make a fire and provide weiners and buns so you can make your own hot dog(s) if you get hungry. It would be nice to have an idea how many people are coming.

Pancake Supper, Feb 16: Our annual pancake supper is always such a nice time to see our neighbours and catch up on things – and eat unlimited pancakes! We won't be able to do that this year. Would you still like to have pancakes for supper that evening, but as **take-out**? We were thinking of 4 pancakes and 2 sausages per order. You can eat in your vehicle and come back for more, if you like, or take them home to eat them.

Snow clearing: Email us if you would like to volunteer to be **caretaker of the week** and shovel snow away from the door, or if you can clear out the parking area.

Winter sports: We recently learned that the county has snowshoes that we can borrow! Then we got to thinking that we could maybe flood the baseball diamond to make a skating rink... or skate on a pond nearby... So, we are wondering how many people would be interested in snowshoeing, skating or cross-country skiing? Contact us if you are interested in participating in a winter fun day, or would like to help put it on! It might be this year (March) or it might be next year. At this point, we would just like to get a sense of the interest out there.

To recap: we'd like input on:
- coming to winter work bee?
- pancake take-out, yes or no?
- help with snow clearing?
- interested in snowshoeing, skating or cross-country skiing?

Reach out to Nicole (contact info above) if you can work the casino!

Playground Update

Someone has been driving over our playground! It has happened twice, so we have put a snow fence up to discourage them. We don't want our border timbers damaged. We hope this isn't too much of an inconvenience to those of you who use it.
